Records sought (be specific):

This is a request under the Freedom of Information Act for a roster of all lawsuits, cases and other administrative actions filed against the City of Chicago or anyone employed by the City of Chicago and any other cases where the Law Department has provided legal representation from 2006 to 2019. Please note I am requesting more than the information which the Law Department publishes annually on Judgements and Settlements Payment Requests, available on their website at this link https://www.chicago.gov/city/en/depts/dol/supp_info/dol_foia.html. I would like a list of all cases including ongoing cases and cases where the City won or did not make any payments relating to the case.

Please send me the records as an excel or csv file, or if that is not possible, in the electronic format in which you keep the records. If the records are only in paper format, please scan them into PDFs. Please email me the records. If you are unable to send the records via email, please contact me to discuss alternatives. Please contact me for my authorization of any charge in excess of \$10. I am not making this request for a commercial purpose.
